Susie: Not until we had to speak. We were classified immediately.

Yearbook: Did you find a McDonalds?

Susie: Yes. We took a taxi one night because it was raining. McDonalds' was one of the few places still open, and it was only two blocks. Each person paid \$1.50 for the 90 second ride, plus double for food.

Yearbook: What songs composed the top 40?

Susie: Songs were dated: ours from 18 months ago, a lot of punk.

Yearbook: What were the highlights of the trip?

Susie: Edinburgh and the Tower of London (the people were much more friendly.)

Yearbook: What surprised you about the European culture?

Susie: Not as friendly, especially compared to the South. Reserved, but really very nice after accepting you.

Yearbook: Do any of the European's dress according to "ivy league" look we find on our campus?

Susie: Not a one. Dress towards punk. Most of the girls wore high heels. They appeared to be very shoe-conscious — both sexes.

Yearbook: To what parts of Europe did you travel?

Susie: Edinburgh, Scotland, Dublin, Ireland. Others went to Spain, Greece, Paris. In England: Windsor, Bath, Brighton, Hastings, Stratford-upon-Avon, Dover, Canterbury, Stonehenge.

Yearbook: Did it seem as though the professors enjoyed themselves as much as the students?

Susie: As much, if not more. They certainly kept up with us.

Ron Ehrhardt broadcasts the news of WSOE—89.3.

When WSOE began broadcasting from Harper Center on Sept. 29, 1978 that event represented almost ten years of hope and hard work. Now in its third year of operation, WSOE is becoming a viable part of the college community providing news, sports, information and entertainment for its listeners. WSOE serves the community by broadcasting the Sunday morning worship service of the Elon College Church, broadcasts of sports events as well as announcements of public interest.

WSOE also serves as a classroom-lab facility for the radio broadcasting courses taught at Elon. Originally conceived as a one-studio station, WSOE has grown to the point that students built a second studio during the summer of 1980. Station staff use this studio for news, sports and production, while the classes use the studio for both classwork and assignments.

The new studio marks the beginning of locally produced educational programs. Requests have been made to increase both the power and coverage of the station. The future looks bright for WSOE.

Kevin Robinson, dedicated music lover, works at WSOE, as disc jockey, on Saturdays.

The Music Educators National Conference is the organization that serves as leader and spokesman for music education in the U.S. Its 64,000 members are engaged in music teaching or other music education work at all levels from preschool through college and university. Since its inception in 1907, MENC's activities and publications have been largely responsible for the establishment of music education as a profession, and for the promotion and guidance of music instruction in the schools as an integral part of general education. The purpose of student membership is to provide opportunities for professional development while still in school. In 1979-80 nearly 17,000 students enrolled through 662 MENC chapters.

MENC chapter #773 at Elon College sponsors the annual

"Pop's" Concert and the Womanless Beauty Pageants. Fund raising is also done to send members to state, division, and national conferences. In 1980-81 MENC contributed \$3,000.00 for music scholarships.

Elon's head coach Jerry Tolley, who received the NAIA Division I Football Coach of the Year, led the Fightin' Christians to the NAIA Championship and a 13 - 1 season record. The Fightin' Christians captured the National Championship with a 17 - 0 win over Northeastern State on December 20. The Fightin' Christians also captured the District 26 title and SAC-8 Co-Championship in 1980. Included in this championship team were three All-Americans, seven All-District players and sixteen All-Conference stars.

The student body of Elon College is proud to have been a part of this honor bestowed on their school and thanks the coaches and players for their outstanding efforts in allowing Elon College this NAIA championship.

Like a mechanic rebuilding an old car piece by piece, Elon Coach Bill Morningstar has been rebuilding the Fighting Christians since taking over for Bill Miller two years ago. This season, after a few last turns of the wrench and a little polishing, Morningstar could be ready to drive a rebuilt Elon squad to the Carolina's Conference title.

Returning will be forward Lee Allison, who earned All-Conference and All-District honors by averaging 17.3 points per game with 209 rebounds, and Greg Dawson who compiled an average of 14.4 points per game along with 152 rebounds. Also returning will be David Mantiply and guard Drew VanHorn, also an All-Conference performer. Mantiply gives Elon rebounding strength at the center position while Van Horn quarterbacks the squad from his guard position. Along with an improved Jay Johnson and the additions of transfers Clarence Miles and John Motley, Elon will have an experienced and potent attack.

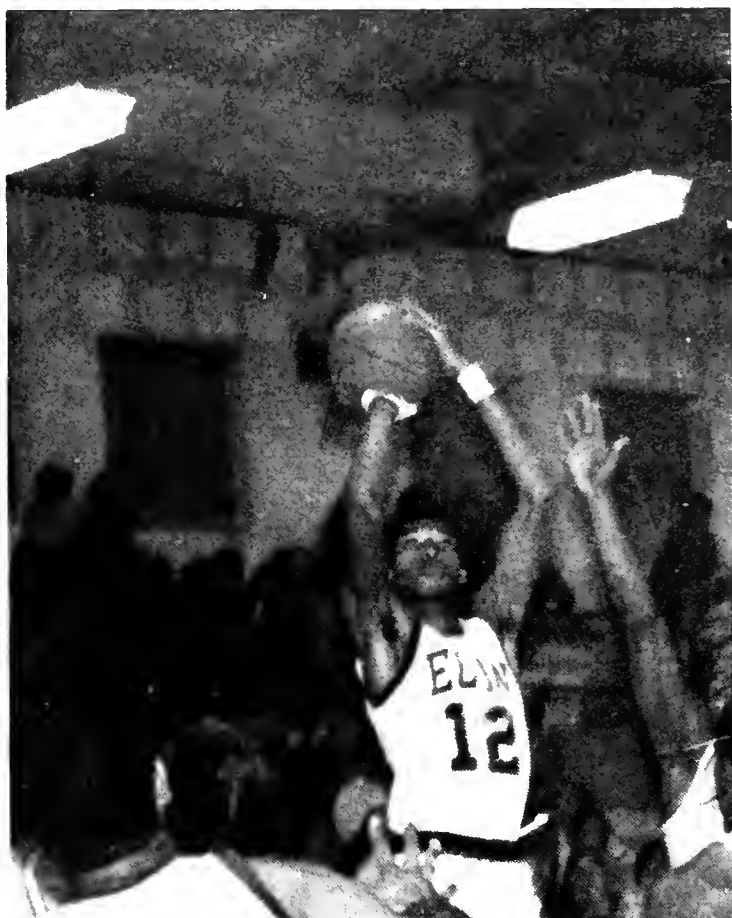

Morningstar is determined to make the 80's a winning decade in Elon basketball. Fighting Christian fans do not doubt Bill Morningstar's words.

Conference Champs!

by Robert de la Fe'

The Fightin' Christians finished the year with an 8-8 overall record and 6-1 conference. The eight wins ties the record for most wins in one season set last year. The six conference wins are the best ever for Elon.

A record 38 goals were scored this year, the first being scored by Paul Harris and the last by Steve Belechak. Some of the most memorable were:

Most penalty kicks scored in one game — Three penalty kicks were scored against Atlantic Christian in the regular season. Scoring were Nathan Pulkingham, Marash Nikaj, and Carlos Torrelío.

Most goals scored in one game — A record seven goals were scored against Wingate College.

Most goals in one game by a single player — Tae Yeon had three goals in two games to give him a record two hatricks in one season.

Best team effort for a goal — against Catawba, all eleven players touched the ball in one continuous play before a goal was scored.

Oddest score — Steve Sabol scored an Olympic goal (goal scored directly from a corner kick) against Wingate.

Fastest goal — Steve Belechak

scored 1:48 after the opening kickoff against Wingate to break the existing record of 2:30 set earlier in the year by Jeff Shields.

Best solo goal — Luis Pages went through on his own in a 50-yard sprint to score against N.C. Wesleyan.

Best looking goal — Tae Yeon put a pass in between two defenders and Carlos Torrelío out raced his defender to score against Campbell.

Most important goal — Jeff Shields took a cross from Steve Belechak to score 2:30 into the game against Atlantic Christian. This goal turned the season around for Elon.

Golden goal (goal of the year) — Steve Belechak put a high left footed cross to the far pole where Jeff Whilds out-jumped his defender and blasted it past the keeper against Pfeiffer.

Jeff Shields became Elon's all-time leading scorer with 14 goals. Nathan Pulkingham is second on the all time list with 13 career goals.

The 1980-81 season was a record setting one for the Fightin' Christians. Elon tied with High Point College for the Carolinas Conference championship honors. It was the first championship ever for Elon.

Strikers Win Conference Title

By Robert de la Fe

"We went bonkers," says freshman midfielder Jim Burton summarizing the moments following Elon's 2-1 soccer victory over Guilford. Players were hugging and jumping on top of each other. The team picked up Coach Steve Ballard and threw him into the mud.

The reason for this seemingly insane behavior? Elon clinched a tie with High Point for the Carolina's Conference Championship. It is the first championship the soccer team has ever won and the first time Elon has defeated Guilford.

Elon took control from the opening kickoff because of outstanding playing by midfielders Eric Wigren, Carlos Torrelío, and Paul Harris. Harris, usually a striker, registered a fine performance and played his best game of the year.

At halftime Elon was ahead 1-0. Coach Ballard said it was the best half Elon had ever played.

Goals for Elon did not come easy. The Quaker goalkeeper made several good saves to keep Guilford in the game. In the 39th minute, Jeff Shields put a corner kick to the far post, where Scott Reynolds headed it back toward the middle, taking the Quaker keeper out of position.

Eric Wigren took two successive shots before Steve Belechak extinguished all doubt. With Belechak's goal, Elon went into a frenzied state of ecstasy. "It gave me the best feeling I've had in two years of collegiate soccer," said Belechak.

Elon's second goal came on an alert play by Luis Pages. "The Guilford keeper was going for the ball when the mud stopped it and he missed. I saw a yellow jersey (Elon)," continued Pages, "at the far pole and hit the ball in that direction." Sliding through the mud Jeff Shields took Pages cross and blasted the victory goal into the back of the net.

A Quaker player broke free and put a shot past McCauley. Strong made a desperation drive at the ball. "When I saw the path of the ball, I knew it was going in. Realizing I was the only one that could reach it, I dove and hoped it would hit some part of my body," recalled Strong.

The "luck of the Irish" was with Strong as he assured Elon's victory and the conference title by knocking the ball out of bounds with only 15 seconds remaining in the game.

Looking for a teammate in the open, Nathan Pulkingham prepares to pass the ball.

Four Players — Runners-up in Conference

While warming up for the game, Craig Newton throws the ball back to pitcher.

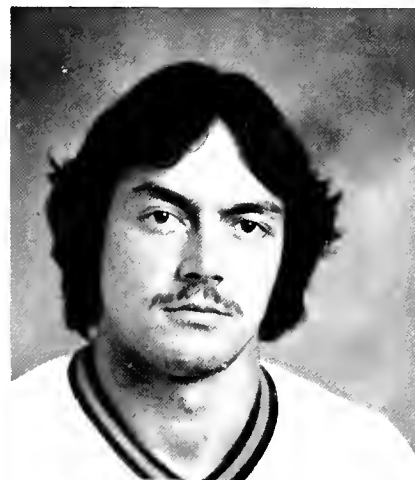

Despite all the rainouts, the baseball team had a successful season under Coach Bob McBee's instruction.

Four outstanding baseball players received recognition by being chosen as All-Tournament team players of the Carolina Conference. These talented young men were Andy Stickel, Hughes Crisp, Joey Hackett, and Billy Freeman. Much of the credit must be given to these young athletes for the successful 1980 baseball season.

Joey Hackett, Elon's number one draftee was drafted by pro baseball team St. Louis Cardinals in June of 1980 and again by the Texas Rangers in January of 1981.

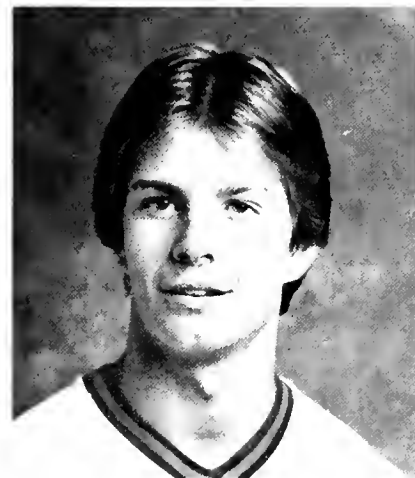

This season was not what had been anticipated, but hopefully next year's rain will not stop Elon's Fighting Baseball Team.

The Golden Girls Have Great Season

Vanessa Corbett runs to the scene of the action to help her fellow teammate.

Mary Jackson, in her sixth year as Elon's skipper, won Carolina Conference Coach of the Year honors last season as the Golden Girls began the 80's with a 25-6 record. With most of her lineup returning Jackson is looking for an even more successful season this year.

Although the loss of 6'2" Stella Jeffers and 5'11" Rhonda Cooper, starting and backup centers, could be crucial Jackson feels that the nucleus for a championship contender is still there.

"We have a lot of talent back from last year," Jackson contends, "We are short so we'll have to run like crazy and play a strong man to man defense.

Forming the core of Elon's title hopes will once again be 5'11" All-American junior Vanessa Corbett. Corbett averaged 22.2 points per game last season while pulling down 378 rebounds. She will be ably assisted by Nuggie Dixon (22.8 points and 171 rebounds); Jeannie Hairston (11.4 points and 349 rebounds); and 5'6" senior point guard Lou Williamson who compiled a 9.9 per game point average and 206 assists. With these players filling the lineup and good support from the bench the girls could once again be battling for the Carolina's Conference crown.

Golden Girls Bounce Back

by Vicki Blankenship

The Golden Girls have bounced back this year off an 8-17 record in the 1979-80 season. New Head Coach Karen Carden has taken over with much enthusiasm and has built the team back up to a winning record of 20-9.

Seniors Barby Adcock and Sue Bias have led the team through some tough close matches. Adcock is one of the major offensive attackers on the team. Bias sets the offense up at the net and also hustles on the back line to direct the offense from there.

Spiker Jeanie Hairston has been another threat to opponents. Her 5'10" height enables her to be ferocious on the nets both offensively and defensively.

Barbara Carter is a very versatile player. She sets up the offense and also attacks when set up.

The Golden Girls have had some very respectable wins over some of the most tough teams in the conference. They have defeated Atlantic Christian, Lenoir Rhyne, Wake Forest, and St. Andrews, to mention a few of the impressive wins.

Captain: Jeanne Hairston serves the volleyball as Pam Moore looks on.

At Burlington, we see fabric not merely for what it is, but for what it can be.

The American Flag, for example.

And Burlington is America's largest manufacturer of flag fabrics.

But we make lots of other things that touch the daily lives of Americans:

Yarns and apparel fabrics. Socks and hosiery. Carpets, rugs, furniture, draperies, bedspreads, sheets, pillowcases, towels, lamps and decorative accessories. Industrial fabrics of all types.

Burlington Industries, Inc.

Local Operations: Burlington House Finishing Plant, Burlington Sock Plant, Burlington Transportation, Graham Plant, J. Spencer Love Hosiery Center, Pioneer Plant I, Pioneer Plant II, Purchasing Services Division, Williamsburg Plant, Bur-Mil Public Retail Outlet.

The Phi Psi Cli was printed by Delmar Printing Company in Charlotte, North Carolina. Mr. Mark Smith of Max Ward Delmar Studios Inc., was our representative.

The cover was base of maroon lexotone material with a gold stamp application and design by Ann Wickham. End sheets and division pages were skillfully designed by Ray Coleman. The type used was Palantino with various point sizes.

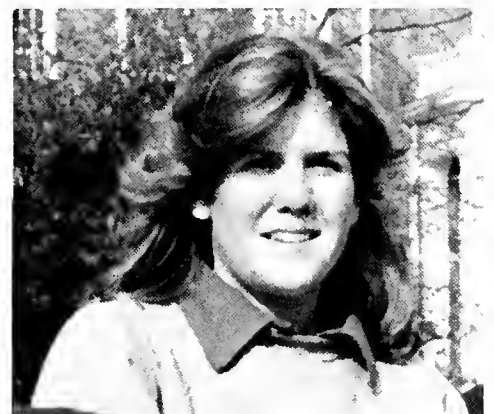

A special thanks to our representative, Mark Smith, our advisor Dr. Mary Brittain and advisees Mr. Bill Sharpe and Dr. Russell Gill. Also thanks to our staff that helped put this yearbook into production: Lisa Abernathy, Vennecia Bynum, Ray Coleman, Angie Rakes, Dorene Spaulding, Karen Wheelock, our editor Ann Wickham, and photographers, Ann Shelton and Ashley Taylor. As I sit here at my cluttered desk, I can hear the bells in the Bell Tower ringing joyfully. I have heard this song before but never has it inspired me like it has today. "America the Beautiful" seems to be an appropriate selection for such an event. Today is January 20 — the American hostages are homeward bound and Ronald Reagan has taken the oath of office.

We have upon us a new decade, a new president and a clean slate. After 442 days we will no longer wonder when the hostages may be released. For now, we will celebrate and remember what America is all about. After a lengthy struggle, America is finally at peace with itself and the world.

Along with this new decade comes a mood that reflects many phases of past eras. The Beatles have not been forgotten and neither have the Supremes. Penny loafers are still clicking along the sidewalks and a handbook for "Preps" is hot off the press. Beach music or the "Carolina Sound" has been passed down from the 60's but it still gets the same response. College students are politically aware though APATHY remains. The 80's seem to depict a style unique all to itself. As freedom rings across our campus, we shall weigh in our minds what the years to come have to offer. There will always be change and there will always be promise.
